## ATTACHMENT A

Examination of plaintiff, Bally Manufacturing Corporation, is requested on the following matters:

1. The construction and operation, both mechanical and electrical, and the drawings relating to the games "Bally Alley" and "Bally Lane" (hereafter "the games") including, without limitation, conception, electrical circuit design, construction of preliminary circuits and prototype games.

2. The marketing of the games including, without limitation: advertising; sales literature; dates of (a) first sale, (b) demonstrations to Bally personnel, (c) demonstrations to personnel outside of Bally.

3. The preparation of service or technical manuals for the games.

4. The supervision of the matters referred to in the preceding three matters.

5. The dissemination of information to the trade or press about "pinball" or "flipper machines" employing electronics, computers, processors or other solid state devices.

6. The decision to cite the Bally Alley service manual to the U.S. Patent and Trademark Office in the patent application which resulted in the patent in suit.
